

Permanent Voluntary Withdrawal Form Malaysia Campus

This form must be completed by any student choosing to withdraw permanently from their studies at Heriot Watt University.

You have the right to withdraw voluntarily from the University. By submitting this form, you are formally instructing the University to process your permanent voluntary withdrawal from studies.

Advice

We strongly encourage you to discuss your intention to withdraw with your Personal Tutor/Student Advisor (undergraduate, postgraduate taught and online students), or your Primary Supervisor (postgraduate research students), who can provide support and advice on your situation. In some cases, there may be alternatives to permanently withdrawing from the University which you may wish to consider, for example requesting to take a [Temporary Suspension of Studies](#) for a period.

Submitting this form

To confirm your intention to withdraw you must email the completed form from your University email account. If there are problems accessing your Heriot Watt e-mail account or if you are studying an online programme, we can accept submission from your personal e-mail account provided it is an e-mail account we have on record.

To be completed by the student wishing to withdraw:

I wish to permanently voluntary withdraw from my studies at Heriot Watt University on the date shown. I understand the implications of this action as shown below:

- After the date of withdrawal, I will no longer be a student at Heriot Watt University and will have no access to the University's facilities.
- If I hold a loan, bursary, grant, or scholarship I must inform my sponsor(s) immediately.
- If I hold a Student visa, and I withdraw from my studies, I understand that it is highly likely that my visa will be curtailed. Students should seek advice from the [International students support team](#) before making any decisions to withdraw from studies.
- I agree to pay any outstanding sums of money due to Heriot Watt University and will contact the [Finance Department](#) to find out what they are and to arrange payment.
- I accept that, if I re-apply for study at Heriot Watt University, I must do so using the University's normal admission procedures, and I may not necessarily be accepted. If I am, then the academic credits I have accrued to date may not necessarily be used in full for any accreditation of prior learning that may be applied at that time.
