- Most students from Malaysia choose our 3 year programme, meaning you achieve a renowned Honours Degree in 3 years
- Exemptions from the CT1-CT8 professional exams is possible with the BSc in Actuarial Science
- You will get the same mentor throughout your studies with us
- You will enjoy a home away from home atmosphere amongst our Malaysian student population
- The UK Actuarial Profession accredits our programme

Lots of Malaysian students choose us each year; don't just take our word for it. . .

“ This was one of the best, if not the best, learning experience that I had in my entire life. The whole journey was amazing, and extremely helpful on a whole bunch of fronts. Life changing, life enriching. That sums up my three years spent in Heriot-Watt University! ”

**Maziah Stapah Salleh, Seremban, BSc (Hons)
Actuarial Science, Class of 2012**

“ Coming to Heriot-Watt University to pursue my Actuarial Science degree was undoubtedly the best decision I have ever made. Having benefited from a combination of highly qualified lecturers and tutors, a comfortable and conducive environment, as well as the opportunity of being awarded exemptions from 8 professional papers, I can say with conviction that HWU is the university for individuals who desire a comprehensive university experience. ”

**Jian Hong Hoo, Kuala Lumpur, Final Year
BSc (Hons) Actuarial Science**
