- 2 Scholarships are awarded in the form of a tuition fee waiver only. "Tuition fee" does not cover any other charges or fees such as registration fee, international student fees, resitting of examination fee, extension of studies fee and ancillary items required as part of the studies, including but not limited to books, graduation ceremony, final award/certificate, accommodation, student visa processing, sports, and living and other related costs, which shall be borne by the student.
- 3 The value of the scholarship granted will be deducted against the full tuition fees payable on a semester-by-semester basis.
- 4 The recipient of the scholarship is required to fulfil the academic progression criteria as set out by the University, including but not limited to the requirement to pass all subjects and progress to a new semester without fail, until the completion of their studies. In the event the scholarship recipient fails to fulfil the said requirements, the scholarship will be revoked, or the amount of the scholarship may be reduced at the sole discretion of the University.

- 11 The University reserves the right to involve scholarship recipients in interviews, advertisements, photography or other publicity activities for the purpose of promoting the University or any other purpose deemed fit to the University. The official results must be provided to the University's Admissions Office within one week of the official results release date, failing which, the University reserves the right to revoke the conditional award of the scholarship.
